

HEALTH AND SAFETY POLICY

ARRANGEMENTS for Chandag Infant School

These arrangements are specific to each school and will help to ensure that the aims and objectives of the Trust's Health and Safety Policy are implemented. Schools must add anything that is missing from this schedule and any such additions must be reported to the school's Health & Safety Committee.

Health and safety poster

The Health and Safety Information for Employees Regulations requires the school to display an approved Health and Safety poster. The poster at this school is displayed in the staff room.

1. Accident Reporting, Recording and Investigation

- All accidents must be reported to the Senior Leader in charge and recorded in the accident book.
- Any accidents which are reportable under the Reporting of Injuries Diseases and Dangerous Occurrences Regulations (RIDDOR) must be notified to the Trust's external competent advisor and the COO. Fatal or major injuries must be reported immediately to the Headteacher, CEO and the external competent advisor.
- Details of all accidents will be brought to the attention of the schools health and safety committee, where they are discussed and trends can be identified. If required, measures to prevent reoccurrence will be implemented.

2. Asbestos

Each school where asbestos exists will have an Asbestos Management Plan. A copy of this must be held by the school's reception / office and be available for all staff to view. All contractors must read and sign the asbestos register before commencing any work. An annual re-inspection of areas containing asbestos will be arranged by the COO. Asbestos Risk Assessments and Plans are also stored on Every Business Management.

3. Bodily Fluids & Clinical Waste

All staff notify the site team of any spillages or accidents. The site team will use spill kits to clean these up and dispose of the waste in conjunction with the proper procedures.

4. Compliance - premises compliance

Premises compliance responsibilities are shared between the Business and Operations Support Team (managed by the COO) and the school, as shown below. The Trust uses the Every Business Management system to monitor premises compliance. At PFI schools all premises compliance is the responsibility of the PFI service provider.

5. Contractors and Visitors

All visitors and contractors must report to the school reception. They will be signed in and be given an identity / visitor's badge. On leaving the site they will be required to sign out at reception. Before any work commences, the school will ensure that all relevant staff have been informed of the works being carried out and the areas that are likely to be affected, as well as the duration and timing of the works. Contractors will be appropriately supervised by the Estates Manager or delegated member of the site team whilst on site. The emphasis must be to stop any unsafe activity until the school are satisfied with the health and safety practices or procedures.

6. COSHH (Control of Substances Hazardous to Health)

- An inventory of all hazardous substances used on site must be held by the Site Manager/ Caretaker and reviewed regularly.
- All regularly used products will have material safety data sheets (MSDS).
- The arrangements for the delivery of hazardous substances to schools will be managed by the estates team / site staff.
- Any new products that are brought into schools that have a hazard warning symbol and there is a 'significant' risk of harm from the product in its use, misuse, quantities or storage, will require a risk assessment to be undertaken.
- The COO will maintain a record of hazardous substances used by the cleaning contractor.
- Any decanted substances should clearly display the product name, information, dilution rates and safety information.

7. Defect Reporting Procedures

- All staff have a responsibility for their own and others' health and safety and are therefore responsible for ensuring that any defective, damaged, poorly maintained or untested equipment is reported. In this school, defects should be reported to the Administrator and/or the Caretaker via his jobs book, stored in the staffroom.
- Any faulty equipment must be taken out of use and if appropriate labelled 'Do not use'. Information about the faulty equipment should be brought to the attention of the appropriate Line Manager, so it can be logged, actioned and monitored.

8. Display Screen Equipment (DSE)

The Trust complies with the HSE guidance on 'Working with display screen equipment'. For the purposes of this policy a 'DSE user' is defined as a member of staff who habitually uses display screen equipment daily as a significant part of their normal work, including regular daily spells of an hour at a time using DSE.

- For 'users' a DSE assessment should be carried out by their line manager or as a self-assessment. Should the type of work or place of work change, the member of staff is encouraged to complete a new DSE assessment to assess their needs. All staff are entitled to an allowance of up to £60 annually, as part of the Trust benefits package through Health Shield, towards the cost of an eye test and any spectacles or contacts lenses required.

9. Educational Visits

Where a school carries out educational visits, it will have a named Educational Visits Co-ordinator (EVC) who will ensure that:

- Activities will be led by appropriate Group Leaders who will take responsibility for ensuring that where necessary pre-site visits are made and they will complete the necessary Risk Assessments before departing.
- The arrangements for high risk and residential visits must be checked by the Trust's external competent advisor
- All visits are approved by the Headteacher

Group Leaders will be responsible for ensuring:

- Staff are fully briefed
- Staff to pupil ratios are assessed and are adequate for the trip.
- Parents and carers receive relevant information about the visit
- Advice from the school's inclusion lead is sought if applicable for individual pupils.
- Volunteers on any off-site visits will be provided with a briefing of their roles, safeguarding issues and be provided with relevant information including risk assessments.
- All volunteers and staff will be DBS checked

Please refer to the Educational Visits Policy for further guidance

10. Electrical Equipment (Fixed and Portable)

- Any electrical faults should be reported immediately to the site team. Faulty fittings (e.g. cracked sockets etc) should be isolated until repaired.
- Portable appliance testing (PAT) is arranged by the Estates and Facilities Director.
- Staff must not bring electrical items in from home.
- The periodic inspection of fixed electrical installations is arranged by the Estates and Facilities Director
- Electrical extension leads must be only as a temporary measure and must be fully unwound. **Multiple socket adaptors must not be used.**
- Third parties hiring school facilities must provide evidence that any electrical equipment brought on to school premises has passed a PAT test within the last year.

11. Fire and Emergency Procedures

- All fire appliances and installed fire safety systems will be checked in line with recognised best practice and British Standards by specialist personnel. Responsibility for arranging such checks and maintenance rests with the Estates and Facilities Director.
- Fire alarms will be tested on a weekly basis using a different call point each time and the results should be recorded in the Site Fire Drill Record File kept in the office. This is the responsibility of the school's site manager or site assistant.
- Portable firefighting equipment and emergency lighting will be visually checked on a monthly basis and the results should be recorded by the caretaker in the same file as above. This is the responsibility of the school's site manager or site assistant.
- Fire Drills will be held a minimum of three times per year. A record must be kept

of each drill to include evacuation time, observations and follow up required, which must be reported to the Health & Safety Committee. This is the responsibility of the school's site manager or site assistant.

- Clear instructions must be issued to staff regarding the nearest fire call point, fire extinguisher, the means of escape and assembly points during fire drills. These instructions must be issued on the first day of employment as part of the induction process.
- Fire risk assessments will be carried out with a combination of competent advice and assistance. A review of the fire risk assessment will be completed at least annually or if/when things change that may affect the original assessment. This is the responsibility of the COO.
- All staff will carry out the online Fire Safety training through iHasco, as part of the induction process

12. First Aid

This information is stored in the training section of our Single Central Record (SCR).

13. Glass and Glazing

Glazing will be subject to regular condition surveys carried out by the Trust. These will be carried out every 5 years.

14. Health and Safety Committees

The Health and Safety Committee is in place to monitor the separate areas and systems of health and safety management and provides the overarching overview to successful application of this policy within the school.

The Health & Safety Committee must include: -

Headteacher or designated senior leader
Area Estates Manager
One teaching and one support staff representative

It may include a member of the school's Academy Governance Committee if there is one with expertise in this area. At PFI schools the attendance of a representative of the PFI service provider is encouraged.

The committee can create its own terms of reference but the agenda should include:

1. Accidents of note since the last meeting, how many accidents in total and are there any trends.
2. Building works/modifications planned.
3. Review of action plan following audits / site inspections.
4. Risk assessments
 - monitor review schedule
 - focus on high risk departments
5. Training
 - monitor completion of mandatory training
 - identify training needs

Outcome of fire alarm drills

6. First Aid provision / qualifications etc.

7. Review of processes for risk assessing and authorising educational visits.

8. Inspection findings and required actions.

15. Health and Safety Training

All Trust staff must complete online health & safety training through iHasco as part of their induction, details of which can be found on the Trust SharePoint (please click [here](#))

First Aid training is arranged through Business Support.

16. Infectious Diseases

The Health Protection Agency poster on guidance on infection control in schools and other childcare issues is located in the school office.

17. Inspections - site health and safety inspections

A programme of site inspections will be agreed each year by the Audit & Risk committee and implemented by the COO.

18. Lettings

- Conditions for lettings must be set out on the Letting Form which must be completed accordingly.
- Details of the schools emergency contact details are provided to the hirer.
- Emergency procedures and arrangements must in place and both parties must be aware of individual responsibility in the event of an emergency.
- Hirers' risk assessments may be requested along with copies of insurance certificates.
- The hirer must inform the school of any damage, equipment failure or faults with the fabric of the building.

Please refer to the WMAT Trading team for further advice and guidance

19. Lone Working

Lone workers are those who work by themselves without close or direct supervision and are found in a wide range of situations. Staff should avoid lone working wherever possible. If a staff member finds themselves in a lone working situation, they must always carry a mobile phone for emergency use and let others know where they are going and how long they intend to be. Ladders or any other equipment that might result in personal injury must not be used.

Emergency call outs out of school hours must not be attended to initially by unaccompanied Trust employees. First response must be provided by the Trust's retained external security company (arranged through Business Support), who may then request the presence of an employee.

Please refer to the Lone Working Risk Assessment for further advice and guidance - Stored on MS Teams

20. Manual Handling

Staff must:-

- Avoid hazardous manual handling operations so far as is reasonably practicable.
- Act according to any medical advice instructions
- All staff whose duties could include manual handling / lifting must be provided with suitable information and training.
- Ensure they are physically capable of safely completing a manual handling task.
- Use mechanical aids whenever possible and/or undertake team manual handling.
- Undertake the training through iHasco, details of which can be found on the Trust SharePoint

Manual handling risk assessments should be carried out for tasks that may pose a risk of injury to school staff. This does not include tasks that are of a low risk, are straightforward or will only take a very short time.

Please refer to the Manual Handling Risk Assessment for further advice and guidance

21. Online safety

Please refer to the Trust Online Safety Policy

22. Personal Protective Equipment

- Personal Protective Equipment (PPE) will be provided free of charge and must be used where it is identified as a control measure.
- The Head of Department is responsible for periodic checking of the equipment and the teachers or responsible adults are responsible for ensuring the equipment is worn by the pupils when required.
- Pupils will be provided with information, instruction and supervision when there is a requirement to wear PPE as a control measure.

23. Radioactive Sources

This section is not relevant to this school.

24. Risk Assessments

- Risk Assessments are completed for all activities where there is a foreseeable risk of injury or harm occurring.
- Risk Assessments are available for staff to view on request and are stored on the O drive.
- Blank risk assessment forms can be obtained from the Area Estates Manager
- Senior leaders / Heads of Department should have a copy of the risk assessments relevant to them.

- All staff must make themselves aware of the risk assessments applicable to their roles and activities. They must highlight any requirements for a review, amendments or additions to risk assessments.
- Risk assessments will be reviewed regularly. High risk faculties e.g. Science, Art, DT, PE should review their Risk Assessments annually as a minimum;
- A specific Risk Assessment for expectant mothers will be undertaken by their line manager.
- All educational visits will have recorded risk assessments.
- The Headteacher at each school should appoint a member of staff to tailor the general risk assessments to their specific school setting. This should be done in collaboration with the key stakeholders in each activity.
- The relevant Area Estate Manager for each school will tailor each of the premises related risk assessments to the individual school's requirements in collaboration with the Premises Team for that school.
- A Risk Assessment Review Spreadsheet should be updated each year as the Risk Assessments are reviewed with dates of review and next review date. Reviews may not be necessary each year, but it should be acknowledged within the spreadsheet that no review was necessary.

25. Safeguarding

- The Board of Directors fully recognises its responsibility under section 175 of the Education Act 2002 to safeguard and promote the welfare of children and to work together with other agencies to ensure there are adequate arrangements within each school to identify, assess, and support children who are suffering harm.
- The Trust has a Child Protection (Safeguarding) Policy which is reviewed annually;
- The Trust has appointed a lead safeguarding officer
- Each school will have at least two identified Safeguarding leads;
- All staff will receive safeguarding training on appointment which will be updated on a regular basis.

Please refer to the Child Protection (Safeguarding Policy) for further advice and guidance

26. Snow Removal

The Headteacher will make the decision whether to open the school in the event of adverse weather. The Site Manager / site assistant is responsible for clearing snow and gritting suitable pathways to allow access to the school site.

Please refer to the Slips, trips & falls Risk Assessment for further guidance

27. Smoking

Smoking is not permitted on any Trust premises

28. Staff Consultation

The Headteacher, will make arrangements for full and proper consultation with employees on health and safety matters annually on production of this policy and as required. The Business Support team will co-ordinate consultation that impacts staff across the Trust.

29. Transport – use of

- All staff or authorised volunteers transporting pupils, volunteers or other staff in a minibus, whether owned by the Trust or otherwise, must hold current valid MiDAS certification and appropriate driver's licence.

30. Violence to Staff

- Headteachers are responsible for assessing the risks of violence to staff.
- Staff must report incidents of violence and aggression to the Headteacher.
- Staff are asked to complete an incident report form which will also act as a record of such episodes.
- The Trust may refer any incidents of violence or aggression towards staff to their legal advisor.

31. Water Hygiene

- A copy of the current Legionella Risk Assessment for each site is held by the COO and stored on Every Business Management.
- An external contractor is used to carry out the requirements of water testing under L8 guidance. This is arranged by the COO
- The site team carries out regular flushing and temperature recording.

32. Well being

- If employees are experiencing any problems in relation to stress they are encouraged to report this to their line manager or one of the HR team in the first instance.
- An employee assistance programme through Schools Advisory Service is available to all staff.

33. Working at Height

- Activities which require work at height should be identified and eliminated where possible.
- Where it is not possible to eliminate work at height, all reasonable steps should be taken to minimise any risks
- Risk Assessments prior to commencement of any working at height activity will be undertaken. It is the responsibility of the person involved to ensure this takes place.
- Staff should only use the equipment they are trained to use, unless it is low level kick stools or steps and they should wear the appropriate clothing and footwear.
- Pupils are not ordinarily permitted to use access equipment. Information, instruction and supervision will be provided to specific pupils that may use access equipment for school related activities.
- Contractors are expected to provide their own equipment and will not be permitted to use the school's equipment.

34. Work Equipment

- All work equipment used on the premises should be fully inspected upon installation.
- All work equipment must undergo an annual recorded maintenance and service inspection by a competent person.
- Any defects should be reported to the Site Manager / site assistant

- Employees must not use their own equipment.
- Staff must ensure that they are appropriately trained to use equipment
- Heads of Department are responsible for ensuring a suitable and sufficient Risk Assessment has been carried out prior to the use of such equipment. Examples of work equipment are site staff power tools, D & T machinery and tools, access equipment, lifting equipment, heavy plant equipment, kiln, etc.

35. Work Experience/placement students

- A nominated person will provide guidance on student work experience placement. The nominated person will also carry out the initial placement risk assessment and ensure all suitable and relevant checks are carried out on the work experience provider. Health and safety induction to work experience students and a work placement risk assessment is expected to be undertaken by the placement employer.

Where appropriate the following arrangements apply: -

36. Kiln

- NA

37. Play Equipment

Gym Equipment

- All staff should check PE apparatus before use and report any defects to the Site Manager / Caretaker
