

Year 1 Term 2

'Seasons Come Seasons Go'

How does the weather affect our lives?

Describe geographical features

Use maps and atlases

Use/understand geographical symbols

Compare and contrast

Identify patterns

Our Fingertip Skills

As a Geographer I will ...

Locate the countries that make up the United Kingdom (U.K.)

Use accurate words to describe the weather.

Notice patterns in the daily weather and seasonal weather in the U.K.

Compare the weather in the U.K. to another European country, Iceland.

So that I can...

Make a class weather station, record the weather, notice patterns and perform a role play weather report with a green screen.
