

Year 2 Term 2

'Reach for the stars'

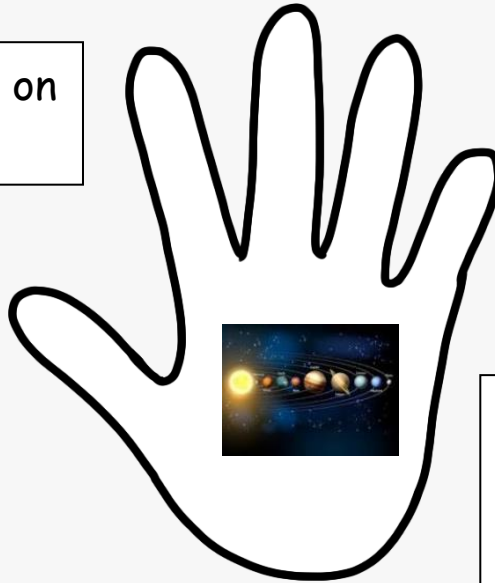

How has space travel changed over time?

Use evidence from different sources

Place dates and events on a timeline

Compare and contrast over time

Explain the achievements of people who are important in space history

Ask questions about important events, using inference

Our Fingertip Skills

As a Historian, I will ...

Develop and awareness of space travel over time

Place significant people and events on a time line

Use the words past and present and explain what they mean in context

Compare and contrast the lives of significant space individuals

So that I can...

Have my time to shine in an 'astronaut training day', take on the role of a historian and share key events in space travel, ordering them on a timeline.
