**Our Fingertip Skills**

As a Geographer I will ...

Name and locate the world's seven continents and five oceans on maps and globes.

Locate the hot and cold areas of the world in relation to the Equator and the North and South Poles.

Identify the key human features of Kenya and South Pole using the vocabulary such as city, town, village, factory, farm, house, office, and shop.

Describe and compare Keynsham, Kenya and the South Pole

Understand some of the similarities and differences between the culture of Keynsham, Kenya and the South Pole

So that I can...

Create a class animal fact book for two contrasting continents and share new knowledge and understanding in an animal exhibition at the end of term.
