**‘Chandag Infant School continues to be a good school’**

**Ofsted, September 2021**

Dear Parents and carers,

I am pleased to provide the link to the report from our most recent Ofsted inspection which took place at the end of September. [Ofsted Report - Chandag Infant School 2021](#)

There are many strengths to celebrate in the report and we are proud to continue to be recognised as a ‘good’ school. I would like to congratulate the whole team in always striving to be the ‘best that they can be’ for the pupils.

Our one identified area for improvement is for staff and pupils to better articulate the knowledge and skills that we want children to learn and remember in History. History is a relatively new Futura unit of learning that has been challenging to teach in depth during the recent disruption to education. As leaders, we have already taken steps to clarify the learning in this area of our curriculum and we are confident that we are acting swiftly on this advice.

Thank you for your continued support of our school.

Yours sincerely,

Mrs A Smart  
Headteacher

Be the best you can be
