

Welcome to ZEST WRAPROUND CHILD CARE Newsletter (4)

for Chandag Infant, Chandag Junior & Two Rivers Schools, July 2021

Hello Everyone, or should I say "Goodbye for the summer",

Thank you for many happy times at Breakfast and After School sessions.

Just one week to go in this 'different' academic year.

In no particular order we have enjoyed:

Many picnics, DVDs, and several craft activities ...

Masks and Hama beads ...

Growing tomatoes and potatoes (yet to be harvested) ...

Breakfast radio, Duplo challenges (we reached the ceiling one day) and memory games before 9am ...

Sudoku and tricky origami too ...

We have learnt how to skip and play chess, (not at the same time!) ...

Colourful chalk creations galore, lasting just a day ...

Games equipment, bean bags, hoops, balls & more balls! ...

Table tennis and mini ice hockey for wet days ...

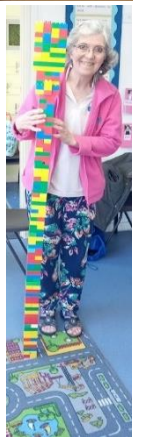

A castle and knights, and

a real life rockpool in the sand ...

Fresh fruit icepops and smoothies have been popular ...

Sudoku and tricky origami too ... and much more.

We hope you have an enjoyable and safe summer holiday, full of great fun. Looking forward to seeing you in September, maybe a few centimetres taller, or minus a tooth!

Take care, from *Terry, Jackie, Marion, Laura, Gill & Beth x x*
